Testimony  
Richard Francis

Two weeks later, I met one of the Japanese missionaries from the Unification Church and was invited to the church center.

While waiting for the lecture, I curiously opened a Divine Principle Book, and I saw the picture of Father Moon. The book immediately seemed to turn to gold, and a blinding ray of white light from Father's picture came out at me. I froze; then I regained my composure and ran out.

A Teacher is a Parent (ideally a couple)  
that guides students with a loving parental heart  
- Shimjung - to fulfill Gods 3 Blessings.

## Education of Heart - Shimjeung

In order to make students resemble God's Heart, a teacher must teach God's hopeful Heart at the time of creation and God's sorrowful Heart at the time of the human fall and God's painful Heart throughout the history of restoration.

# Education of Moral Standard

An education of moral standard is an education to reach the perfection of family, for the moral standards of a society are based on the home or family.

To understand a principled form of life or a life based on the moral standard.

Those who are to be taught (children) stay in a certain stage before marriage.

# Education of Technique

Bringing about perfection of

- individuality and
- the perfection of a family

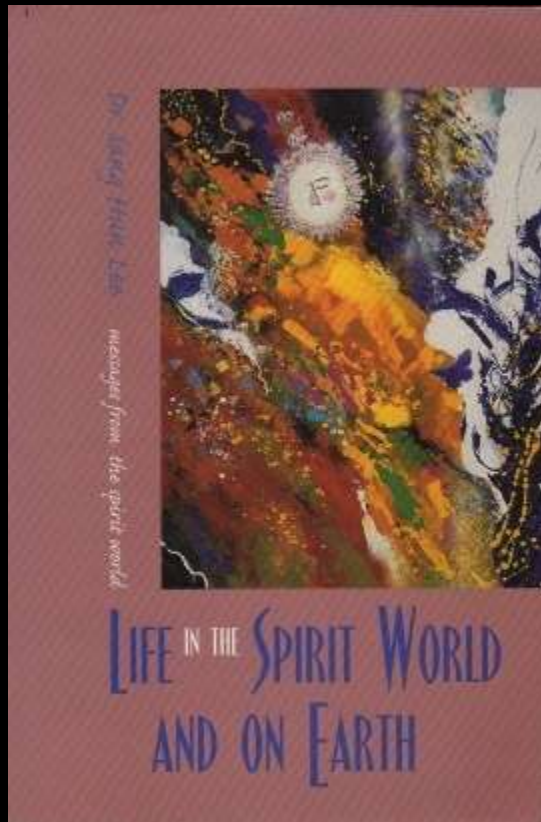

by an education of

- heart and
- moral standard respectively,

## Education of Technique

if in addition to these one masters technique (methods and skills), he will be entitled to dominate all things with love.

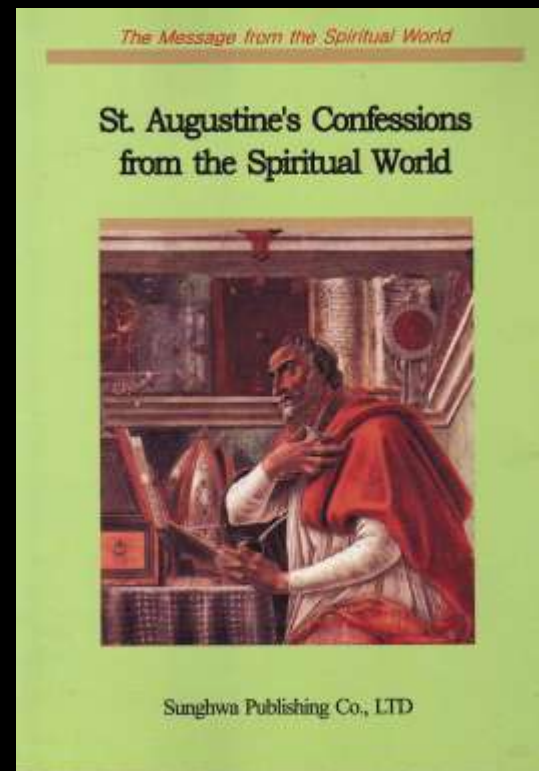

In this way, the loving dominion over creation will be accomplished.

What I like best about them is various details there, bits of information that adds to our understanding.

I truely enjoy reading your slides  
documents and wish to translate them into French.  
So far as they are reaching on reading only,  
I wish you send me the secret code to allowing me to  
rewrite.  
Doing so will help witness our Holy True Parents worldwide.

Merry Christmass and Happy New Year 2016!

May God our Beloved HP and TP bless you all.  
We are going thru the translation.

As a christian Pastor, I am very interesting on all writings  
regarding TPs and Jesus.

Don't forget that it is our 5 % of portion of responsibility  
to clear up the misunderstanding between Jesus and SMM  
in the christian followers' mind.

Best regards,
