

Divine Principle & Lyrics inspiration

Introduction

We can denote the fact that many spiritual signs regarding the Lord coming again in Korea are appearing like mushrooms after a rain.

God's word of promise that He will pour down His Spirit upon **all flesh** (Acts 2:17)
is being realized among the Korean people today.

Therefore, countless men of religion are
Receiving very clear revelations concerning
the Lord's Second Coming in Korea in many different ways,
but contacting many spirit men of various levels;
from the realm of miscellaneous spirits to the realm
of the paradise level spirits.

/Divine Principle 2nd Coming of Christ

In May 1960, Dylan dropped out of college at the end of his first year.

In January 1961, he traveled to New York City, to perform there and visit his musical idol Woody Guthrie, who was seriously ill with Huntington's disease in Greystone Park Psychiatric Hospital.

Guthrie had been a revelation to Dylan and influenced his early performances. Describing Guthrie's impact, he wrote: "The songs themselves had the infinite sweep of humanity in them... [He] was the true voice of the American spirit. I said to myself I was going to be Guthrie's greatest disciple."

ELVIS PRESLEY – DIVINE PRINCIPLE

American documentary photographer William Egglestone, took this picture of the desk at Elvis Presleys home Graceland.

ELVIS PRESLEY – DIVINE PRINCIPLE

1935-1977

Curiosa: There was a try and desire from True Father in the 70s to contact Elvis Presley and bring him to Korea.

Elvis had a clear spiritual and religious inclination
And became famous for his Gospel singing in the end of his life.

A wonderful blessed singer, with still one of the largest vocal register ever.

Google for Elvis Gospel! 😊

BOB DYLAN SPIRIT WORLD COOPERATION!

“The Songs just came through me.
I did not have to write them myself“

/From the Biography of Steve Jobs “Founder of Apple”

BOB DYLAN SPIRIT WORLD COOPERATION!

One night I was lying in bed and listening to the radio.
I think it was a station out of Shreveport, Louisiana.
I wasn't sure where Louisiana was either.
I remember listening to The Staple Singers' "Uncloudy Day".
And it was the most mysterious thing I'd ever heard.
It was like the fog rolling in.
I heard it again, maybe the next night, and its mystery
had even deepened.

BOB DYLAN SPIRIT WORLD COOPERATION!

What was that? How do you make that?

It just went through me like my body was invisible.

And that singer is pulling things out of my soul that I never knew were there.

After hearing it for the second time,

I don't think I could even sleep that night.

I knew these Staple Singers were different than any other gospel group. /Dylan

A Kind Of Magic – 1986 **spiritually inspired**

It's a kind of magic,
It's a kind of magic,
A kind of magic,

One dream, one soul, one prize, - Messiah – Christ –LSA
One goal, one golden glance of what should be,
It's a kind of magic,
One shaft of light that shows the way,
No mortal man can win this day,

It's a mind of magic,
The bell that rings inside your mind,
It's challenging the doors of time,
It's a kind of magic,
The waiting seems eternity, yeah,
The day will dawn of sanity,
Is this a kind of magic,
There can be only one, - Messiah – Christ – LSA

This reign that lasts a thousand years (Biblical)
Will soon be gone,
This flame that burns inside of me

I'm hearing secret harmonies

It's a kind of magic,

The bell that rings inside your mind,

Is challenging the doors of time,

It's a kind of magic,

It's a kind of magic,

This reign that lasts a thousand years,

Will soon be will soon be,

Will soon be gone,

This is a kind of magic,
There can be only be one,
This reign that lasts a thousand years,
Will soon be gone,
Magic - it's a kind of magic,
It's a kind of magic,
Magic, magic, magic, magic,
It's magic,
It's a kind of magic.
It's a kind of magic.
